

# Elijah

1 Kings 18:16-46

Elijah- was another of those prophet guys; remember? A prophet is someone who hears from God and tells others what God said. Unfortunately, some people believe in other gods than God Almighty. These are called false gods, because they aren't real. The people who worship these false gods often make statues of them, called idols. God Almighty doesn't like for people to worship idols because He and He alone is God. So Elijah challenged all the prophets to a contest to determine the true God. The contest was to see who could call down fire from Heaven. The prophets of the false gods tried but couldn't do it. Eliza called upon God Almighty, and He sent down a big fire from Heaven, to prove He was the true God. Beleve in Jesus Christ, because He alone is the real God of Heaven.

Day 15

# Hezekiah

2 Kings 19:14-37

Hezekiah- was between a rock and a hard place. His enemy was demanding that he stop believing in God and surrender. Hezekiah prayed to God and asked for His help, because Hezekiah didn't want to stop believing in God. Then God sent the prophet Isaiah to speak God's words to Hezekiah, that God would give Hezekiah favor and victory. Hezekiah kept believing in God all through the trouble, and God gave Hezekiah a great victory. Do you sometimes stop believing in God, because of trouble? It's better to believe, and wait for God's help. It always comes.
